

WHERE DO YOU LIVE

3m 58s

Imagine you could live anywhere on earth... Would you live deep down in the ocean, high on a hill or somewhere in between? Let's explore each today.

Movement	Seated modifications	Other modifications	Progressions	Watch points
Pufferfish Puff	Do Pufferfish Puff in your chair	Do Pufferfish Puff lying down on your back: 1. Lie on your back, with your hands gently resting on your belly 2. Take a deep breath in through your nose. Breathe the air all the way down into your belly, to puff your belly up like a balloon. 3. Breathe the air back out from your belly and out through your mouth. (As you do this, let your belly lower back down).	Take longer, slower breaths	* Belly expanding as you breathe in, and deflating as you breathe out
Praying Mantis Plank	Put the palms of your hands together. Push them together strongly for as long as you can.	Do the Praying Mantis Plank... - On your knees (instead of toes) - With a ball under your tummy	Try lifting one foot slightly off the floor. Change legs each each 10 seconds.	* Body in a straight line (don't let your bottom drop down or lift up in the air) * Tummy muscles switched on * Shoulders down and neck relaxed

Movement	Seated modifications	Other modifications	Progressions	Watch points
Gorilla Squat	Place your hands on the sides of your chair. Push down with your hands (and your legs/feet if possible) to lift your bottom.	Do the Gorilla Squat with your back against a wall. Step your feet forward and slide your back down the wall until it looks like you're sitting on a chair. Hold for as long as you can.	Sit in a Gorilla Squat position against a wall. Keep your back and bottom against the wall, while you go onto tippy toes for 20 seconds, then onto heels for 20 seconds. Keep alternating and hold for as long as you can.	* Knees kept wide, facing over your toes * Hips reaching back * Chest upright and eyes looking forward
Meerkat Mission	Massage the top of your legs with your elbows.	* Do Meerkat Mission while holding a sturdy desk or wall to help you balance. * Lie on your side with straight legs and knees together. Bend your top knee and pull your foot up towards your bottom. If it's too tricky to balance, do this stretch lying on your tummy instead.	Try Meerkat Mission with your eyes closed, to challenge your balance	* Standing up tall, like a meerkat * Neck and shoulders relaxed * Bottom tucked under * Knees together
Pterodactyl Take-off	Sit with your arms out straight and lean over towards one side. If possible, slide the leg you're leaning towards out wide to the side.		While doing Pterodactyl Take-off... - Lift the heel of your bent leg off the floor, or - Move your back arm down along your straight leg and reach your front arm up towards the ceiling. Arch your body over towards your straight leg, looking up towards your hand.	* The foot on your bent knee facing to the side and the foot on your straight leg facing forward. * The knee of your bent leg above your ankle * Shoulders down and back * Chest upright * Arms straight out to the sides
